Period-wise teaching plan

Period	Focus	Teacher activity	Student activity
1	Warm-up + the students	Do the Let's begin agree/disagree statements (story books, Ramayana, Mahabharata). Introduce Dronacharya, the Pandavas and Kauravas, and Parasurama. Teach: woodland, secret, warriors, rivalry.	Tick YES/NO statements; read the opening; note who the cousins were.
2	Weapons + jealousy	Read the favourite weapons and Arjuna's gift of concentration; the Kauravas' jealousy and open criticism. Teach: fascinated, mace, disciples, criticism.	Activity 3 (prince–weapon chart); Activity 1 (tick the correct answer).
3	The test	Read the test: the wooden bird, 'hit the eye', and each prince's answer; Arjuna's 'only the eye of the bird'; the loud twang. Draw a target on the board. Teach: concentration, immense, twang, observed, obeyed.	Activity 2 (T/F), Activity 4 (answer the questions); role-play the question-and-answer with the Guru.
4	Grammar: adverbs	Teach adverbs that qualify verbs ('replied innocently', 'treated equally') and adjectives ('very glad'). List adverbs from the text (equally, exactly, steadily, openly, innocently, silently).	Activity 10 (tick the adverbs), Activity 11 (fill in with adverbs).

Period	Focus	Teacher activity	Student activity
5	Articles/prepositions + writing	Teach articles (a/an/the) and prepositions (in/on/under/into/beside/at) from the room-description activity. Discuss the moral; do the picture-story (Activity, Betal Panchabinshati).	Activity 8 (articles), Activity 9 & the room fill-ins (prepositions); arrange the picture story; attempt the StudyMatic 10-question quiz.

Board summary (write-up for the class)

A **Mahabharata** story about **concentration**. The **5 Pandavas** and **100 Kauravas** (cousins) learn weapons from **Dronacharya** (a great warrior, taught by **Parasurama**). Favourite weapons: Duryodhana & Bhima — mace; Yudhisthira — spear; **Arjuna — bow & arrows**; Nakula & Sahadeva — swords. Dronacharya likes Arjuna most for his concentration; the jealous Kauravas complain, so he sets a **test**: a wooden bird with a painted eye on a far-off tree — 'hit the eye'. The others see the tree, leaves, fruits and people, so they are sent aside. **Arjuna sees only the eye of the bird** → shoots it with a loud **twang**. **Moral**: aim at the target and nothing else — success needs intense concentration.
