Period-wise teaching plan

Period	Focus	Teacher activity	Student activity
1	Warm-up + admission	Ask the Let's begin questions (Do you love school? Favourite subject?). Introduce the memoir and its writer, Satyajit Ray. Read the admission and the school's 'L'-shaped layout; sketch it on the board. Teach: vertical, lofty.	Answer Let's begin; draw the 'L' plan in copies; oral Activity 1 (a–b).
2	The hall; the teachers	Read the hall (prize-giving, gallery, The Merchant of Venice, Chaplin film) and the teachers (B.D. Roy, Bhattacharya Sir). Teach: gallery, foreign, pronounced, excellent.	Activity 1 (c–d), Activity 2 (T/F), Activity 3 (match words–meanings).
3	Ashubabu + returning later	Read about Ashubabu, 'Music drawing', the six happy years, and the return after ten years (everything looks smaller; he grew to 6½ ft). Teach: favourite, recognise, enormous.	Activity 6 (complete from text), Activity 7 (answer the questions); discuss why the school 'shrank'.
4	Grammar: verb forms + subject/predicate	Use the verb-form chart (go-went-gone, give-gave-given, show-showed-shown). Revise subject and predicate from Lesson 1 with sentences from the text.	Activity 4 (verb chart), Activity 5 (make sentences), Activity 9(a)/(b) (subject-predicate split).

Period	Focus	Teacher activity	Student activity
5	Grammar: present continuous + writing	Teach the present continuous (am/is/are + -ing) from 'Ravi is playing / children are singing'. Guide Activity 11 (five sentences describing yourself). Set the 'draw your school' activity.	Activity 8 (fill in the blanks), Activity 10 (present continuous), Activity 11; attempt the StudyMatic 10-question quiz.

Board summary (write-up for the class)

A memoir from **Satyajit Ray's** 'Jokhon chhoto chhilam'. The author is admitted to **Ballygunge Government High School** after solving questions and sums. The school (east of Beltala Road Police Station, playground to the south, a lofty wall) is '**L'-shaped** — vertical = hall, horizontal = classrooms. The hall (with a **gallery**) hosted prize-giving, Saraswati Puja, The Merchant of Venice (actors Greenberg & Salim) and a Charlie Chaplin film. Teachers: **B.D. Roy** (English pronunciation; 'The Ox and the Frog'), head pandit **Bhattacharya Sir** (beautiful Bengali handwriting), drawing teacher **Ashubabu** ('Music drawing'). Weak at sports but a fine artist, the author spent six happy years. Returning after **ten years**, everything looked smaller — because he had grown from 5 ft 3 in to ~6½ ft, not because the school shrank.

Word Trove (teach with sentences)

Word	Meaning
vertical	going straight up on a flat base
gallery	an upper floor of seats in a theatre/hall
foreign	belonging to a country other than one's own
pronounced	uttered
excellent	extremely good
favourite	one who is loved the most
recognise	to locate and identify
enormous	huge
